ABSTRACT

This selective bibliography is divided into 2 main sections. The first deals with Thai-English contrastive studies and lists 3 books, or sections in books, and 11 journal articles. The second section deals with error analysis for Thai speakers learning English and lists 2 journal articles. The entries range in date from 1955 to 1974. The books cited are Thai or German publications and the articles appeared in well-known Thai, European or American pedagogical language journals. (TL)
